The Supplier hereby irrevocably, unconditionally and absolutely assigns to Caswick, with full title guarantee, and without restriction, all right, title and interest in and to all existing and future Intellectual Property Rights subsisting in or relating to all Deliverables. To the extent that the above does not comprise an effective assignment of the Intellectual Property Rights in the Deliverables, then the Supplier shall assign to Caswick such Intellectual Property Rights as and when requested by Caswick by executing any assignment documents reasonably requested by Caswick. Until such time as those Intellectual Property Rights are assigned to Caswick, the Supplier shall hold all such Intellectual Property Rights on trust for Caswick and Caswick shall have an exclusive worldwide, royalty-free licence under those Intellectual Property Rights and to use the Deliverables for any purpose.

8.2 The Supplier grants to Caswick, or shall procure the direct grant to Caswick of, a fully paid-up, worldwide, non-exclusive, royalty-free, perpetual and irrevocable licence to use its pre-existing Intellectual Property Rights in the Services (being those that existed at the Commencement Date), for the purpose of receiving and using the Services and the Deliverables.
